A Message from the Society’s New Executive Director

Dear SDS Sponsors, Past Sponsors & Prospective Sponsors:

Thank you for your interest in supporting the System Dynamics Society. As the new Executive Director of the System Dynamics Society, I want to work with you to develop a stronger partnership between our organizations and make our sponsorship opportunities more valuable to your organization.

This Sponsorship and Marketing Prospectus presents all of the Society’s current opportunities in one place. We ask you to review and see how the Society can help you reach your target audience, and increase the effectiveness of your communications, promotions, and engagement with the System Dynamics community.

The Society is increasing its efforts to deliver meaningful value to our sponsors in order to maintain and grow successful partnerships for the future. If you do not see an opportunity that fits your needs, please let us know. We will work with you to craft the perfect sponsorship and marketing package for your organization to support and convey your key messages to the global System Dynamics community.

At the Society, we are so grateful for what our sponsors have helped us accomplish over the years. From underwriting conference attendance and membership for students to enabling the growth of a global community of scholars and practitioners who use System Dynamics and so much more, we are immensely thankful to our past, present, and future sponsors.

Please take a moment to review this prospectus and complete the sponsorship interest form included at the end.

Sincerely,

Mark R. Nelson, Ph.D., MBA, CAE
Executive Director
