

Tentative Virtual Conference Schedule

Plenary*	Zoom presentations to all conference attendees. COVID 19 Plenary will be open to public.
Parallels/WiP*	Zoom presentations to self-selected subset of attendees. Work-in-Progress (WiP) consist of work at earlier stages of completion.
Roundtable	Informal conversations constructed around a specific topic or issue.
Ceremonies	The Opening and Closing ceremonies and their echos will all be live.
Workshop**	Skill-building, hands-on workshops and tutorial sessions, covering a range of topics demonstrating the state of the art in theory and application.
Feedback***	Senior-discussant led presentations in which work is analyzed leading to directions the work could be taken or results presented to increase the importance of the work.
Posters****	Interactive format in which authors present work and discuss with attendees
Sponsor	An opportunity for sponsors and attendees to connect.
Social	Includes the Virtual Banquet and other informal networking opportunities.

The schedule for Chapter, SIG, Committee, Business and other conference-related meetings will follow.
