REGISTRATION NOW OPEN

EARLY REGISTRATION RATES AVAILABLE UNTIL JULY 10, 2018

As System Dynamics moves into its seventh decade, improved understanding of the world around us has never been more important. Plan to attend and learn what is new in System Dynamics, spend time with your peers, and stay connected to the pulse of this innovative field.

- *Moderated sessions*
- *One-on-one sessions with modeling coaches*
- *Technical workshops*
- *Stimulating plenary speakers*

All this and more in one place for five full days!

Boost your skills at our pre-conference 3-day System Dynamics Summer School, which will be held at the University of Iceland, August 3-5.

Conference registrants are invited to attend the System Dynamics Colloquium on August 6, as well as a full day of workshops on August 10.
